Priority Goal 4 and Associated Strategies

Area for improvement and supporting data:
School safety is an ever present concern. With the increasing incidence of school shootings and disruption of school operations by outsiders, every school is looking for new and better ways to increase the safety of its students and adults. TRMS is no different.

School Goal 4:	Establish new procedures for safe access to building and to prevent unwanted intruders from being able to get in.
Supports this district goal:	Provide technological training on multiple devices and continue Home Base Instructional Improvement training along with SIS training.

Target:	New equipment purchased by central office and installed.
Indicator:	Installation and training with new equipment.
Milestone date:	Jun-18

Goal 4 Improvement Strategies – Identify research-based strategies whenever possible.

Plan/Do

Strategy 1:

Action steps:

1. Seek additional cameras for areas not covered.	5.
2. Install a buzzer system at entrance way	6.
3	7.
4.	8.

Strategy 2: Review the Safety Plan

Action steps:

1. Update school safety plan.	5.
2	6.
3.	7.
4.	8.

Strategy 3:

Action steps:

1. Determine staff member to monitor new system	5.
2.	6.
3.	7.
4.	8.

Plan/Do

Professional development - Identify the professional development required to successfully implement the strategies above.

Staff person or group	Course name/title	Course provider	Date completed
All staff	Panic Button 101	District or SRO	As soon as installed
TBD	Controlling Entry/Egress 101	District or SRO	As soon as installed

How will we fund these strategies and associated professional development?
If the district has funds for this, we will welcome same, but we understand that there are no funds at the district.

Funding source 1:	Select a funding source	**Funding amount:**	$0
Funding source 2:	Select a funding source	**Funding amount:**	$0
Funding source 3:	Select a funding source	**Funding amount:**	$0
Funding source 4:	Select a funding source	**Funding amount:**	$0
Funding source 5:	Select a funding source	**Funding amount:**	$0
		Total initiative funding:	**$0**

Review frequency: Yearly

Assigned implementation team: School Improvement Team

Check

What data will be used to determine whether the strategies were deployed with fidelity?

N/A. This is a matter of either there is money or there is not money.

	How will you determine whether the strategies led to progress toward the goal? (Include formative, benchmark, and summative data as appropriate.)
Check	Not a data-based goal.
	What does data show regarding the results of the implemented strategies?
Act	**Based upon identified results, should/how should strategies be changed?**
